**SUBJECT: Issuance of Canadian Supplemental Type Certificate SH23-23 issue 1  
(Review of FAA STC SH332AL Reissued August 14, 2012)**

---

Sir:

This Supplemental Type Certificate (STC) is issued in response to your application for the **Installation of Airglas Model L2700-206A Skis**.

The transfer of ownership of this document in the name of another person requires prior approval from the Minister in accordance with Canadian Aviation Regulations (CAR) Part V, Subpart 21, Division VIII § 521.357.

In accordance with the Bilateral Airworthiness Agreement (BAA), it is requested that any defect, malfunction, or failure associated with this TCCA approval, which may affect the airworthiness of the modified aeronautical product, be communicated to Transport Canada.

Yours truly,

Robert, Mathieu
