

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA02090AK

This Certificate issued to Airglas Engineering Co. Inc.
P.O. Box 190107
Anchorage, AK 99519

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number: A-780
Make: Piper
Model: PA-12

Description of Type Design Change: Installation of Airglas LW2500 fixed wheel penetration skis in accordance with Airglas Engineering Co., Inc. Descriptive Data List No. LW2500-1, dated April 2, 1997 or later FAA Approved Revisions.

Limitations and Conditions: Compatibility of this design change with previously approved modifications must be determined by the installer. Any Piper PA-12 airplane incorporating this change must be equipped with a FAA Approved engine installation of at least 150 hp. FAA Approved Flight Manual Supplement, Document AE97-10FM, dated September 22, 1997 or later FAA Approved Revision is a required part of this installation.

If the holder agrees to permit another person to use this Certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration

Date of application: December 11, 1996

Date reissued:

Date of issuance: September 22, 1997

Date amended:
